What is Print Calendar

Print Calendar is an app that prints simple calendar view using the entries in the calendar on your iPhone or iPad.

It reads the entries in the calendar for iPad or iPhone and displays a preview of what will be printed. The options define how many days to get events from and what day is the preferred start of week. The preview can be printed using the print button. It will print to an Air Print compatible printer.

FAQ

Cost

Print Calendar is now available in the Apple App Store worldwide. It is free. However, it displays ads.

Requirements

- Print Calendar requires minimum of iOS8.

Disclaimer
